

KIWIED. KHRONICLES THE CHRISTMAS ADDITION

Message from the team

KiwiEd. would love to introduce the newest member to our team - Ella! Nancy our wonderful VT started her maternity leave last month and welcomed beautiful Ella - Nancy is taking 2024 to stay home with Ella, but we will be welcoming her back for 2025!

Please note that the KiwiEd. office will be closed from Wednesday 20th of December and will reopen on Tuesday 16th of January. If you have a urgent matter during this time please contact your Visiting Teacher on their contact number. Subsidies will be paid as normal.

Lastly, we want to thank you - our amazing KiwiEd. whanau for a wonderful year of visits, building relationships and making memories together. Without you there wouldn't be us, so thank you!

We wish you all a safe holiday period, and we can not wait to see you in the New Year!

MERRY
christmas
FROM THE KIWIED. TEAM

"What if Christmas, he thought, doesn't come from a store. What if Christmas.....perhaps.....means a little bit more!"

-Dr Suss, How the Grinch Stole Christmas

Activity Ideas

Christmas Baking Fun

Christmas Trees

This is one of the easiest Christmas tree decorations you can do!

Easy tip: I cheat and use bought brownies and cut them up into triangles.

- Brownies (made or bought)
- Green icing
- Sprinkles
- Candy canes

Method

1. Cut up your brownie into triangles.
2. In a piping bag pipe out the green icing to resemble tinsel around the tree.
3. Using your sprinkles add this to the icing.
4. Finish off using the stick of the candy cane as your trunk of your tree.

Lets Create!

Shape and Sticker Christmas Trees

This activity is great to get those fine motor skills working while also exploring maths!

What you need;

Green paper, white paper, glue, stickers and a star!

Method:

1. Tree cut out different sized triangle shapes (for the older children they can cut out their own triangle shapes).
2. Glue these onto paper forming a tree
3. Decorate with your stickers
4. Add your star for the final touch!
