

What's New?

It has been a busy few months here at KiwiEd. - with lots of new whanau joining the programme and welcoming Kushla to our KiwiEd. Visiting Teacher team ! Kushla brings with her many years of experience not only teaching tamariki but also mentoring kaiako in a homebased setting. We are excited for her to share her wealth of knowledge and experience with you.

In April KiwiEd. went through our probationary licensing review, as it had been almost a year since our probationary license was granted (can you believe a year already!). This review ensures that KiwiEd. is meeting the Licensing Criteria for Home-based Education and Care Services - which creates quality outcomes for all tamariki. We are so excited to announce that KiwiEd. was granted their full license at the end of May. We would also love to thank the whanau who opened up their home to the Ministry of Education during their review.

With the weather changing and becoming colder this opens up conversations to discuss the change of seasons with tamariki - and the visual signs that help us to identify this happening, such as the leaves changing colour.

Use this handy seasons poster to explore the seasons in Te Reo with your tamariki. Don't forget to go on a nature hunt to see what Hotoke in Auckland Tamaki Makaurau looks like.

What's in this issue:

- Latest KiwiEd. update
- Important Dates
- Let's Cook!
- Lets Create!

Griffin and his Au Pair Emma spent a morning exploring their senses - going for a hunt to find some fallen Ngahuru/Autumn leaves, creating their own 'mud' and adding their toy insects to create their very own insect small world play. What a great idea where Griffin was not only learning through play but was also discovering the world of nature and insects through his senses.

Important Dates

- School Holidays: 11th - 22nd July
- Teddy Bear Picnic Day 10th July
- International Day of Friendship 30th July

Activity Ideas

Lets Cook!

4-ingredient crepes

Now the weather is colder it is always nice to enjoy some delicious warm kai - and here is a simple yet tasty crepe recipe. All you need is:

1/2 flour 3/4cup milk
1 egg 1 teaspoon vanilla extract

Directions:

1. Beat the egg and add the milk, flour, and vanilla extract.
2. Mix until smooth, (it should be a thinner consistency than pancake batter, almost watery).
3. Melt some butter in a frying pan on low heat.
4. Pour a thin layer of batter in the pan and spread it around.
5. Cook for a few minutes on each side until done (you can also add chocolate at this point to melt it).
6. Top with ingredients of your choice.
7. Enjoy!

Lets Create!

Snow Man Bowling!

Wet weather means more indoor fun - and this game is perfect for this! Collect your empty toilet rolls and with your tamariki decorate these into snowman.

Then line them up your snow man bowling pins and with your ball (a small ball is best) have a go at bowling these over.

Can you get a strike?
